

HRL INTERNATIONAL PRIVATE LIMITED

"We Can Do Everything Related To Software Sector Without Any Excuses!"

AUTONOMOUS VISUAL COMPUTING & ENTERPRISE DEEP-TECH SYSTEMS • MANGALURU, KARNATAKA, INDIA

⚠️ MANDATORY STATUTORY CODE OF CONDUCT & LEGAL NOTICE (V2.0)

Any intentional violation, cyber-ragging, public ridicule, unauthorized code scraping, or unlawful interference with our Central Government innovation initiatives will trigger **immediate First Information Report (FIR) criminal proceedings before the Mangaluru City Police, UGC Anti-Ragging prosecution, and sovereign statutory case filings.**

SECTION 1.0**Protection of Government Projects**

GOVT PROTECTED

- Central & State Initiatives:** Projects are legitimately formulated under Startup India (SISFS), Karnataka ELEVATE 2026 (Idea2POC), and MeitY frameworks.
- Sovereign Innovation Asset:** All software repositories, grant documentation, and architectures are protected corporate property built for national technological advancement.
- Zero-Tolerance for Sabotage:** Any attempt to disrupt, impede, or undermine grant execution is actionable under statutory economic laws.

SECTION 2.0**Anti-Ragging & Cyber-Bullying**

STRICT LIABILITY

- Prohibition of Group Mockery:** Ridiculing, demeaning, or mocking company initiatives in academic groups (~65 peers) constitutes active cyber-ragging.
- Severe Psychological Harassment:** Coordinated character assassination and toxic peer intimidation will be prosecuted under criminal law.
- Corporate Defamation:** Malicious falsehoods damaging commercial goodwill attract civil tort damages and exemplary compensation claims.

SECTION 3.0**Source Code & Intellectual Property**

TRADE SECRET

- Proprietary GPU Shaders:** C++17/20, Apple Metal (MSL), and NVIDIA CUDA kernels are protected under the Indian Copyright Act (1957) and Patents Act.
- AI & Solver Architectures:** Monocular neural depth ONNX models and NP-hard CSP backtracking solvers are exclusive proprietary trade secrets.
- Anti-Scraping Shield:** Decompiling, reverse-engineering, or scraping triggers instant cyber-crime prosecution under Section 66 of the IT Act.

SECTION 4.0**Academic Integrity & Collaboration**

PROFESSIONAL

- Safe Academic Environment:** Team members and collaborators are entitled to a harassment-free academic and industrial research space.
- Mandatory Reporting:** Incidents of peer intimidation will be escalated directly to College Heads (SCEM) and Law Enforcement without delay.
- Whistleblower Protection:** Individuals reporting violations are granted total identity protection and statutory safety.

⚖️ STATUTORY ACTION & ENFORCEMENT MATRIX UPON BREACH**1. Criminal FIR Registration**

Immediate filing under **Sections 351 (Criminal Intimidation), 352 (Intentional Insult), and 3(5) (Common Intention) of BNS 2023 and Section 66/66E IT Act** before Mangaluru Rural / CEN Police Station.

2. Anti-Ragging Prosecution

Mandatory reporting to **UGC National Anti-Ragging Cell & Institutional Committee** under the **Karnataka Prohibition of Ragging Act, 1998** (Cognizable, non-bailable with mandatory suspension).

3. Civil Damages & Tort Suits

Institution of civil damage recovery suits claiming exemplary financial compensation for corporate reputation loss, mental agony, and disruption of government research grants.

Forensic Evidence Preservation: Group chat transcripts, timestamps, and member logs are certified under Section 65B of the Indian Evidence Act.

Jurisdiction: Mangaluru City Police Commissionerate & Dakshina Kannada Courts
